NEW: PATHS is a professional organization whose primary purpose is to improve the knowledge, skills, and overall professionalism of its members by providing information and training. Our annual Training Conferences are a cost effective way to promote the exchange of information and resources to a large number of people in a concentrated period of time. Our Nashville conference will include outstanding key note presentations, break-out sessions on a variety of topics of interest to our various members, networking events, and exhibitors.

In crafting your presentation proposal, we encourage you to consider both our conference theme as well as the needs and interests of our various membership constituencies, including service providers..
