

## N.E.W. CHAPTER CHALLENGE

At the spring NEW board meeting, the membership committee decided to offer a Chapter Challenge to all N.E.W. Chapters.

We challenge all chapters to a membership drive to increase your membership. We will record the official membership totals at the National office on the beginning date of 04 30 04 and ending date of 09 30 04. For local chapters with a state chapter, the increase will be measured by local chapter membership.

We will be awarding cash prizes to the top 5 chapters with the most increased membership between April 30, 2004 and September 30, 2004.

At the August Annual Training Conference in Savannah, we will have to the TOP TEN Chart, listing the top ten chapters with the membership increases.

We would also ask chapters to share with us what you did for your membership drives. We will include these ideas in the newsletter when we announce the Top Five winning chapters.

**CHAPTERS, START YOUR CHALLENGE!!!!**
